## **ABOUT THE INN**

As a not-for-profit, volunteer-based organization, The INN provides a broad variety of essential services to assist those challenged by hunger, homelessness and profound poverty. We partner with those in need in a dignified and respectful manner to help them achieve self-sufficiency.

Founded in 1983 as a single soup kitchen run by a small group of concerned volunteers, The INN has grown to deliver its services through the largest soup kitchen on Long Island (the Mary Brennan INN), temporary housing shelters and a Long-Term Housing Program. In January 2016, The INN launched the Center for Transformative

Change (CTC), a resource center and clothing boutique whose mission is to assist guests in obtaining assistance with extended supportive services. For more information, please visit [www.the-inn.org](http://www.the-inn.org) or call (516) 486-8506.
